UNITED STATES OF AMERICA

PLAINTIFF

v.

No. 4:19-cr-602-DPM

ALVIS GIBBS

DEFENDANT

Reg. No. 32983-009

ORDER

Gibbs moves to reduce his sentence based on two amendments to the Sentencing Guidelines. The amendment concerning status points does not apply. He did not receive any status points at sentencing. Neither does the amendment for zero-point offenders. The Court found that Gibbs possessed a firearm in connection with his drug offense. USSG § 4C1.1(a)(7). His motion, *Doc. 91*, is therefore denied.

So Ordered.
